### «12 Hours Greece 2018» Trophy 20-21 October 2018

The Organizing Committee of the 21st “24 Hours Greece” Rally announces the “12 Hours Greece 2018” Trophy.

This is a separate competition “within the competition”, where all entrants participate, while they don’t have to send an additional entry form or pay any extra entry fee.

The “12 Hours Greece” Trophy continues a long tradition which gives the opportunity for competition to all crews, even if they don’t have the experience of night rallying or if they don’t have the endurance to drive 800 kilometers within 24 hours or simply if they don’t make it to cross the finish line due to fatigue or technical failure.

The “12 Hours Greece 2018” Trophy starts on the 20th of October at 10:00 in Elefsina and finishes after approx. 450 kilometers and 12 hours in Patras, while it offers the experience of rallying in night special stages in the second leg, Arachova-Patras.

Prices will be awarded to the first 3 winners of the general classification of the “12 Hours Greece 2018” Trophy, while the first 3 winners of the 21st “24 Hours Greece” Rally will be excluded from this trophy’s classification.

The announcement of the the “12 Hours Greece 2018” Trophy is included in Annex 1 of the Regulation of the 21st “24 Hours Greece” Rally.
