

## **Classic Legends Rally**

Central Greece

21-22/3/2026

In 1999, SISA began organizing multi-day rally events for historic cars in Greece. The Classic Legends Rally continues this tradition and offers crews with historic cars the opportunity to enjoy driving pleasure on routes that have linked their name to the rallying history of Greece. This year's rally will be organized on March 21-22, focusing on Central Greece, and is the 3rd round of the EO.FILPA Panhellenic Regularity Championship. It may be sunny, it may be snowy... prepare accordingly! The start and finish will be in Chalkida, the overnight stay on Saturday will be, where else..., in Itea and the regroupings will take place in Amfiklia, Athanasios Diakos and Arvanitsa. The route consists of 530 kilometers, of which approximately 180 will be on legendary tarmac special stages, which can be run either with classic average speed or with ideal time & checkpoints. EKO and MyKTEO will be the major sponsors of the Classic Legends Rally for another year.

Start is on Saturday at 10 am from Chalkida to Ritsona, Mazi, Tzimeika, Tithorea and arrival in Amfiklia for the first regrouping of the day. Ascent to Parnassos with the 28 kilometer special stage and descent to Polydrosso. Continuation to the legendary Hani Zagana, the Oiti Refuge and arrival at Athanasios Diakos for the second regrouping of the day. Kastriotisa, Pyra, Kaloskopoi, Oinochori, Viniani and Prosilio bring the gladiators to the finish of the first day in Itea from 6pm onwards. On Sunday 22/3 at 9:30am the start of the second day will be from the marina of Itea towards Galaxidi, Vounihora, Agia Efthymia and Kyriaki for regrouping in Arvanitsa. The last leg will close with Petra and the legendary stages of Platanaki & Loukissia. The finish will take place at 3pm at the promenade of Chalkida and the announcement of the results & the prize giving ceremony will follow immediately afterwards.

Eligible are two-member crews with historic cars manufactured up to 31/12/1996 as well as selected cars of historical interest "potentially historic - youngtimer", manufactured 1/1/1997-31/12/2006. The entry fee is 200€ for SISA members & 220€ for non-members and the deadline for participation is Friday 13/3/2026. There is a choice of one-day participation with 150€ in the Regularity category for the EO.FILPA championship. The prices include organizational costs, insurance, satellite timing with GPS tracking and participation in the prize giving ceremony. For tourers there is an entry fee of 120€ with insurance, numbers & road book, but without timing & ranking, just for the joy of participation! The overnight stay at the Nafsika Palace Hotel is €99 for a double room or €78 for a single room with taxes & breakfast and reservations must be made through SISA club. For info and Regulations, you can contact the club's secretariat or visit the website [www.sisa.gr](http://www.sisa.gr)
